

Viewfinders MC would like to thank everyone who came out and supported our event. We would especially like to thank the city of Ridgecrest and the Desert Empire Fairgrounds for allowing us to bring our event to their city. It is the support from all of you, and the city of Ridgecrest that has made our event the largest in the Big 6 series this year to date!

We would like to give a very special thank you to Gordon and Jackie of Countyline Auto Recycling for all of the time and effort they put out to help make our event what it is. They have become very dear friends to the all of us with the Viewfinders and our event would not be the same without them.

Congratulations go out Rovers MC for having the largest number of members and receiving the most first place finishes of all the clubs. KTM proved to be king of the event with the most bikes and first place finishes as well.

If you are not in a club, please consider joining a club. Without the District 37 clubs, there wouldn't be these races for anyone to come and enjoy!

We continue to strive to provide you with the best racing experience we can and look forward to seeing you all again next year.

Thank you again,
Viewfinders MC
